*Celebrating the Achievement of All by  
Living and Learning Together*

Number 10

Dear Parents/Carers,

This week is Anti-Bullying week and learning how to stay and feel safe is as important a part of what we teach our children, as reading and writing. In whole school collective worship time we will be exploring the 3 Bs of bullying:

- B**elieve in yourself
- B**low the whistle
- B**an bullying

We will also be thinking about what bullying looks like, how it makes people feel and how we can say 'No!' when we feel upset or unsafe.

This weekend saw a hive of activity as parents, children and staff came to school on Saturday for the PTA 'Ground Force Day'. A huge thank you to everyone who gave up their time to make a difference to Cam Hopton.

On Tuesday, we will be taking part in a 'Shadow Review', which will evaluate our progress since the school's last Ofsted Inspection. It will identify what we can celebrate and what our areas for further development are. When we have received our feedback, the main points will be shared with the school community.
