**Celebrating the Achievement of All by
Living and Learning Together**

Number 17

Dear Parents/Carers,

Last week I spent some time each day trying to pair up children with their lost property, which was mainly school uniform. School sweatshirts and cardigans seem to have a particular habit of losing their owners! About half the uniform that I found was named, so that was an easy task, however the other half was either named in pen which had washed out or had no name at all. We will keep reminding children to put their property into the cloakrooms or in their classrooms and generally be more responsible for things which costs a lot of money to buy, but it is difficult to re-home anything that isn't named with either permanent ink or a name tag. We would really appreciate your help with naming as many things as possible, particularly clothes and hopefully our lost property mountain will shrink!
